

**GARDEN  
2021**

**FEB  
19  
—  
MAR  
21**

**The Garden of Unearthly Delights will not be accepting personal photography requests in 2021.**

The COVID-19 pandemic has thrown up huge challenges to all of us endeavouring to present performing arts events. The Gardeners have worked tirelessly this year to redesign The Garden to ensure that The Garden of Unearthly Delights that is both full of energy and joyous encounters AND COVID-safe for our audience, artists and team. Due to this, we have restricted capacity in our venue and want to ensure we have space for attendees and artists to enjoy their night spent in The Garden.

We will not be accepting photographers into our venue this year to maintain space for those attending shows and enjoying The Garden's outdoor entertainment. Therefore anyone intending to use large hobby or professional cameras (including DSLR's) will not be allowed access into The Garden. If you have a large camera with you and still want to enter The Garden, please put it in your bag and keep it there during your visit. This includes inside venues and shows.

The Garden will be working with their staff photographers, Fringe Volunteer photographers and accredited media throughout the season. If you fall under one of these categories please liaise directly with The Garden publicist, Mel Evans ([media@gardenofunearthlydelights.com.au](mailto:media@gardenofunearthlydelights.com.au)). All approved photographers will be clearly identifiable for security purposes, all other photographers onsite will be asked by security to keep their camera in their bag. We hope you understand the complexity of running our event in a COVID-19 world, and we look forward to welcoming photographers back into our venue in 2022.

If you have any questions regarding this change, please do not hesitate to get in touch with Garden Publicist, Mel Evans ([media@gardenofunearthlydelights.com.au](mailto:media@gardenofunearthlydelights.com.au)).

The Gardeners are also relying on our audience and team to adhere to the well accepted COVID-safe practices of social distancing and good hygiene. Together we can keep everyone safe and have a great time welcoming our much-loved performing artists back to the stage!

The Gardeners.
